Azlan: It will be an exciting time for us this year. Our school will be celebrating its 50th anniversary in June. We will be very busy. We will also have a walkathon as usual.

Siew Lan: We will be busy, too. The Minister of Education will be coming for the official opening of our new hostel in March. So we have to start preparing now. Our annual Sports Day will be in April. We're having our sports practice sessions now. Then in May, we will have our mid-year exam.

Azlan: Our Sports Day has been postponed to July and our inter-house games will be held only in October. From February, we will have extra afternoon classes to prepare for the UPSR.

Siew Lan: We have these too. In addition, every month will be a special month for a subject. In February, we will have 'Study Bahasa Melayu Month'. The 'Improve Your English Month' will be in March. We hope to encourage a love for these subjects. Hopefully pupils will grow to like them and excel in these subjects.

Azlan: I wish we had that in our school. Anyway, our teachers are planning a study camp for us during the holidays in June.

Siew Lan: That's great! Maybe you can learn new study techniques and exam questions.
