Dear Sir,

Unfortunately, problems arise after he managed to **22.** \_\_\_\_\_ the pool table. Firstly, he was disappointed as the product delivered was without an **23.** \_\_\_\_\_ booklet in English. The assembly instruction booklet attached was in Spanish and Polish, therefore, it was not helpful for him as he struggled to understand the instructions written. With the support of the **24.** \_\_\_\_\_ in the booklet, he at last could assemble it in couple of hours.

Secondly, the cue ball was not in the **25.** \_\_\_\_\_ of balls, and it was obviously impossible for him to play the game. He had to use the cue ball that belongs to his friend who came to play their first game on the new pool table. In a **26.** \_\_\_\_\_ game, the table was found defective when the cue ball kept curving to the left and the right. That's when he noticed the main slate of the table is not **27.** \_\_\_\_\_ enough to continue another game. He then, queried to get **28.** \_\_\_\_\_ for the product which is against our policy. At first, he was furious but then he calmed down after hearing that we can **29.** \_\_\_\_\_ a new table without any delivery charges as the product has one-year **30.** \_\_\_\_\_. His customer number is 45993 and the pool table order number was GH12338. He is contactable via phone number 012-5600247 or email to [menzieshairol75@gmail.com](mailto:menzieshairol75@gmail.com).
