Part 1**Questions 1 to 7**

You will hear people talking in seven different situations. For questions 1 to 7, choose the correct answer (A, B or C).

You will hear each recording *twice*. Answer all the questions.

- 1 How much money does the boy spend every week?
 - A RM 5
 - B RM 10
 - C RM 15

- 2 How did the man feel about the tennis match?
 - A It was dull.
 - B It was exciting.
 - C It was remarkable.

- 3 What did the girl buy during her shopping trip?
 - A Dress
 - B Shoes
 - C Accessories

- 4 What convinced the boy to switch to e-books?
 - A The resizable font
 - B The affordable price
 - C The texture of the book

- 5 How does the boy feel about his part-time job?
 - A He's beginning to master it.
 - B He can't keep up with the pace.
 - C He hopes the workplace is quieter.

- 6 What does the boy plan to do?
 - A Start recycling
 - B Clean up all the mess
 - C Avoid improper e-waste disposal

- 7 What should the woman start to do to promote her shop online?
 - A Post videos about popular products.
 - B Create content that promotes sales.
 - C Share interactive activities.

(7 marks)

Part 2**Questions 16 to 20**

You will hear an informational speech about Artificial Intelligence. For questions 8 to 15, choose the correct answer A, B or C.

You will hear the recording twice. Answer all questions.

- 8 What is the main goal of artificial intelligence?
A Create intelligent machines
B Copy human thinking ability
C Improve communication technology
- 9 What have recent advancements in AI allowed machines to do?
A Build algorithms for researchers
B Comprehend human language
C Draw pictures
- 10 What was one of the initial limitations of AI in virtual assistants?
A Difficulty in understanding one's demands
B Failure to give appropriate answers
C Inability to understand situation
- 11 Which of the following tasks require AI?
A Suggest a dining spot
B Generate reminders
C Schedule an alarm
- 12 How does AI help doctors in healthcare field?
A By identifying medical conditions
B By conducting surgeries
C By detecting patterns
- 13 What is one way AI is impacting business operations?
A AI replaces human staff to optimize productivity
B AI manages common customer questions
C AI concentrates on more difficult chores
- 14 Which is the main issue related to AI technology?
A Designing AI systems that require no supervision
B Avoiding one-sided results from AI systems
C Ensuring AI is treated equally
- 15 What key problem is mentioned regarding AI?
A The growth of AI in various fields.
B The influence of AI on different parts of life.
C The necessity to tackle concerns such as being equal and just.

Part 3**Questions 16 to 20**

You will hear five short extracts in which people are talking about their opinions on health care. For questions **16 to 20**, choose from the list (**A to G**) what each speaker says. Use the letters only once. There are two extra letters which you do not need to use.

You will hear the recording twice. Answer all questions.

- A** Thinks that it is wrong to go to the doctor unnecessarily.
- B** Prefers to pay money for better quality care.
- C** Considers conventional medicine to be effective at reducing pain.
- D** Feels positive about going the local clinic.
- E** Relies on the local clinic for treatment.
- F** Decides to get medical procedures from other sources.
- G** Favours self-medication over going to the local clinic.

Part 4**Questions 21 to 30**

You will hear Dr Coliena Far, an archaeologist, talking about one of the most famous landmark in the United Kingdom, The Stonehenge. For questions 21 to 30, fill in the missing information in each numbered space. Use no more than ONE WORD for each space.

You will hear the interview twice. Answer all the questions.

The Stonehenge

Stonehenge is a mystery. It is a fascinating rock 21. _____ on Salisbury Plain in the UK. Originally, the site included an 22. _____ circle of 30 standing stones, five huge stone arches, and two inner circles of smaller stones.

The sarsens, the largest stones, are as heavy as four 23. _____ while the bluestones weigh as much as two cars. The 24. _____ of these massive stones were the Marlborough Downs, about 20 miles north of Stonehenge, and the Preseli Hills in Pembrokeshire, Wales, roughly 140 miles away. The relocation and 25. _____ of these stones, particularly the bluestones, are still widely examined and debated regarding the techniques used by the ancient builders. In 26. _____ tales, a magical help from Merlin is said to transport these stones. However, theories suggest that 27. _____ were used instead.

Although the exact purpose of Stonehenge remains uncertain, the site is believed to have healing 28. _____, adding to its mystical appeal. One theory is that it functioned as a calendar to observe the changes of the sun. The site draws over 1 million visitors annually, with the biggest 29. _____ assembling on June 21 to witness the sunrise. Conservation efforts help protect the stones from damage, ensuring their preservation through the passage of time and 30. _____. Visiting Stonehenge offers a chance to appreciate its historical and mystic value.
