An electronic device

Talk about an electronic device that you use.

You should say:

- what it is
- where you buy it
- why you like it
- how electronic devices make our lives easier

- You → I / me
- You are → I am
- Your → my

Example Answer

- **Today,** I would like to talk about an electronic device that I use.
- **First of all,** the first point is about what it is. It is a smartphone, which is the iPhone 15 Pro Max.
- **After that,** the second point is about where I buy it. I buy it from Tiktok Shop.
- **Next,** the third point is about why I like it. I like it because it has a good camera, which is great for taking pictures.
- **Finally,** the last point is about how electronic devices make our lives easier. Electronic devices make our lives easier because we can communicate with our family members and friends even from far away.
- **In conclusion,** an electronic device is very useful in our daily lives. I hope everyone can use electronic devices wisely. That's all from me. Thank you.
